ORDER:

In the reference read above, the Chief Engineer, Nagarjunasagar Project has submitted that, the State Government have been implementing the “Andhra Pradesh Water Sector Improvement Project” with the assistance of the World Bank. While stating the objectives of the project, he has informed that, the Nagarjunasagar Project Modernization and rehabilitation has been taken up under this project with four components. Out of the four components, the ‘A’ Component consists of the five sub – components. The ‘A2’ Sub – Component would ensure the safety of the Nagarjunasagar Project based on the Dam safety works carried out on the recommendations of Independent Dam Safety Review Panel (DSRP) specifically constituted under the project for the purpose.

2. For the implementation of the above component, an Expert Committee has been suggested by the Chief Engineer, Nagarjunasagar Project.

3. Government after careful examination of the above proposal, hereby constitute “ Expert Committee” for Nagarjunasagar Project with the following Members:
